

**INVITATION FOR BIDS**

**LETTING OF JUNE 23, 2005**

Sealed bids on the following projects will be received by the Montana Department of Transportation-Highways Division, Contract Plans Bureau, Room 101, 2701 Prospect, Helena, Montana until 9:00 a.m. on June 23, 2005, the bids being publicly opened and read thereafter at 10:00 a.m. in the Department's auditorium.

Bid proposals, plans, cross-sections, dirt runs & erosion control plans if available, and full instructions to bidders are on file for examination and may be obtained from the Contract Plans Bureau. These documents may be requested by FAX (406)444-7236, (see enclosed order form) by mail or by calling (406)444-6216, 6212, 6215 or TTY 444-7696

All bid documents are available for downloading and/or printing at no charge at the following web site: <http://www.mdt.state.mt.us/contract/> under the "Letting Info" dropdown and "Bid Packages" link. Additional bid letting information is also available on this web site.

Cost for hard copies of these documents vary with each project and is quoted in the project information contained herein. There will be no refund allowance for documents ordered and returned. Do not send cash. Please make all checks payable to the Montana Department of Transportation. Please do not send payment until billed.

Persons or firms desiring to qualify or bid on highway construction on the basis of a joint venture must declare their intention by executing a "Declaration of Joint Venture and Power of Attorney." Joint Venture affidavits must be included with the Bid Proposal.

Any contract entered into pursuant to this advertisement is subject to all appropriate state and federal civil rights laws. The prime and subcontractors are required to pay the wage rates set out in the bid proposal.

MDT will not discriminate on the basis of race, color, national origin or sex in the award, performance or administration of any MDT contract or in the administration of its DBE program (49 CFR Part 26). MDT attempts to provide reasonable accommodations for any known disability that may interfere with a person participating in any service, program or activity of the department. Alternate accessible formats of this document will be provided upon request. If reasonable accommodation is needed to participate in MDT bid lettings, call the Civil Rights Bureau at 444-6331 or TTY 406-444-7696 [TTY 1-800-335-7592 (toll free)].

**Contractor Registration**

Effective July 1, 1996, Montana law requires all contractors to register with the Montana Department of Labor.

On Federal-aid projects, contractors must register prior to executing a contract.

On State-funded projects, bidders must be registered prior to submitting a bid.

For information regarding this requirement, contact the Department of Labor at 1-406-444-7734 or TTY 1-406-444-5549.

MONTANA  
DEPARTMENT OF TRANSPORTATION  
HIGHWAYS DIVISION

Bill Kennedy, Chairman  
Montana Transportation Commission

Jim Lynch  
Director of Transportation

**1. No. Meridian - Three Mile to Idaho - Kalispell, No. Meridian - US 93 to Three Mile - Kalispell & No. Meridian Lighting & Signal**  
**Federal Aid Project Nos. STPU 6701(7), STPU 6701(8) & STPU 6701(9)**

STPU 6701(7), North Meridian – Three Mile to Idaho – Kalispell. Grading, gravel surfacing, plant mix bituminous surfacing, seal and cover, storm drain, water main and water line, sanitary sewer, sidewalk, curb and gutter, signing and signals.

The project begins at Reference Post 0.468 (Three Mile Drive) and extends south 1.407 kilometers to Reference Post 1.223 (Idaho Street) on North Meridian Road.

STPU 6701(8), North Meridian – US 93 to Three Mile – Kalispell. Grading, gravel surfacing, plant mix bituminous surfacing, seal and cover, storm drain, water system improvements, sanitary sewer, sidewalk, curb and gutter, signing and signals.

The project begins at Reference Post 0.000 (US 93) and extends south 0.62 kilometers to Reference Post 0.468 (Three Mile Drive) on North Meridian Road.

STPU 6701(9), North Meridian – Lighting & Signal. Lighting improvements beginning at Reference Post 0.000 and extending to Reference Post 1.223 on North Meridian Road.

These tied projects are all located within the City of Kalispell in Flathead County on North Meridian Road (State Urban Route 6701).

**MANDATORY PRE-BID CONFERENCE**

A pre-bid conference will be held at the following time and location:

Monday, June 6, 2005, 10:00 a.m., Department of Transportation – Kalispell,  
 Upstairs Conference Room, 85 – 5<sup>th</sup> Ave. East North, Kalispell, MT 59901

Representatives of MDT will be present to describe the project and answer questions.

The pre-bid conference will have a formal sign-in process that will become the official record of attendance for the purposes of determining eligible bidders.

Attendance at this conference is mandatory for any contractor to submit a bid as a prime. Contractors who bid as a prime bidder on this project must have at least one full time, permanent employee present. No proxy representatives, such as subcontractors or consultants, meet this requirement. In the event a bidder tenders a bid but did not attend the pre-bid conference, the bid will be returned unopened.

Contract to be completed by November 30, 2006 with an additional 30 Working Days to complete seal coat and final striping. The estimated construction cost of this project is between \$5,000,000.00 and \$10,000,000.00.

The Disadvantaged Business Enterprises' contract goals are 4.0%.

Cost of plans and proposal \$34.00 per set, including cross-sections. Large plans \$85.00 per set. Dirt Runs \$10.00 per set. Erosion Control Plans \$3.00 per set. All bid documents are available for downloading and/or printing free of charge on the Contractor's System web site at the following address:

<http://www.mdt.state.mt.us/contract/> under the "Letting Info" dropdown and "Bid Packages" link.

This project is under the jurisdiction of the Missoula District Administrator. Tentative Engineering Project Manager: Dan Ham

Contract No. 04605. Uniform No. 2950.

## 2. **1999 – Signal Upgrade – Butte & 2002 – Turnbays - Butte Federal Aid Project Nos. CM 1899(13) & STPHS 1805(15)**

Traffic signal upgrade, surfacing, sidewalks & curb, signing and pavement markings within the city limits of Butte in Silver Bow County.

1999 – Signal Upgrade – Butte is located at various locations within the Butte city limits along Harrison Avenue, Utah Avenue, Arizona Avenue and Montana Street.

2002 – Turnbays – Butte is located on Urban Route 1805 Montana Street, beginning at RP 0.131, north of Centennial Avenue and ending at RP 0.274, south of the railroad tracks within the Butte urban limits.
